We've seen plenty of Will Ferrell recently, and now the comedian has a new movie opening this week. Look back at his consistently inconsistent career with Will Ferrell's Highs & Lows.

The two-time champion Lakers were swept unceremoniously from the Playoffs, and Laker fans are already screaming for change. Is trading for Dwight Howard and/or Chris Paul an option?

The whole "friends with benefits" concept can be dangerous...but we'd take the risk for Natalie Portman. Unfortunately, "No Strings Attached" can't cash in on that potential. Thanks a lot, Ashton.
